

Perth College Students' Association Activity Grant Application

The activity grant scheme helps to finance activities undertaken by groups of students. These activities should be beneficial but not essential to course work carried out under the normal curriculum. While the council will consider worthwhile projects by individuals, it is the general policy of the Students' Association to provide activity grants for groups of students at Perth College.

The activity grant scheme is for use by students and should not be used as a subsidy for faculties, college staff, lecturers, or any other person who is not a member of Perth College Students' Association.

Please complete all sections of the form. Incomplete forms will delay your application. Funds may be limited so please provide as much information as possible so the SRC can make a fair decision. The completed form should be handed into the Students' Association and your request for funds will be discussed at the next SRC. The student rep. (or another student from the class, if the student rep is unavailable) should attend the meeting and be prepared to explain the application.

Faculty:	Creative Industries	Course/Cla s:	Music Business
Student Adviser:	Richard Smernicki	Contact No:	01738 877486
		Contact Email:	richard.smernicki.perth@uhi .ac.uk
